

WEST Search History for Application 10553421

Creation Date: 2009061818:19

Query	DB	Op.	Plur.	Thes.	Date
resin or polymer	USPT	ADJ	YES		06-18-2009
quenching.clm.	USPT	ADJ	YES		06-18-2009
heating.clm.	USPT	ADJ	YES		06-18-2009
(resin or polymer) and (quenching.clm.) and (heating.clm.)	USPT	ADJ	YES		06-18-2009
supercritical or super critical	USPT	ADJ	YES		06-18-2009
(resin or polymer and quenching.clm. and heating.clm.) and (supercritical or super critical)	USPT	ADJ	YES		06-18-2009
quenching	USPT	ADJ	YES		06-18-2009
(resin or polymer) and (heating.clm.) and (supercritical or super critical)	USPT	ADJ	YES		06-18-2009
particle or granule or granular	USPT	ADJ	YES		06-18-2009
(resin or polymer) and (supercritical or super critical) and (particle or granule or granular)	USPT	ADJ	YES		06-18-2009
heating	USPT	ADJ	YES		06-18-2009
(resin or polymer) near2 (particle or granule or granular)	USPT	ADJ	YES		06-18-2009
(heating) and (resin or polymer and supercritical or super critical and particle or granule or granular) and (resin or polymer near2 particle or granule or granular)	USPT	ADJ	YES		06-18-2009
decreas\$3	USPT	ADJ	YES		06-18-2009
(decreas\$3) or (quenching)	USPT	ADJ	YES		06-18-2009
(heating and resin or polymer and supercritical or super critical and particle or granule or granular and resin or polymer near2 particle or granule or granular) and (decreas\$3 or quenching)	USPT	ADJ	YES		06-18-2009
fluid	USPT	ADJ	YES		06-18-2009
(supercritical or super critical) same (fluid)	USPT	ADJ	YES		06-18-2009
(heating and resin or polymer and supercritical or super critical and particle or granule or granular and resin or polymer near2 particle or granule or granular and decreas\$3 or quenching) and (supercritical or super critical same fluid)	USPT	ADJ	YES		06-18-2009

air tight or hermetic or hermetically	USPT	ADJ	YES		06-18-2009
(heating and resin or polymer and supercritical or super critical and particle or granule or granular and resin or polymer near2 particle or granule or granular and decreas\$3 or quenching and supercritical or super critical same fluid) and (air tight or hermetic or hermetically)	USPT	ADJ	YES		06-18-2009
